Mr. J. W. Welch was seen yesterday by an Astorian representative and was bluntly asked what truth there was in the charge published by the News that he had entered into a combination with the non-partisan leaders and particularly with Mayor Bergman. Mr. Welch emphatically denied the charge. He said the accusation and others referring to his attitude in former elections were utterly, ridiculously false. "I have the highest respect for Mayor Bergman," he said, "and the others mentioned as the probable candidates but I have not nor have I attempted to have any understanding with any of them in regard to the coming election."

Telephone service costs much less in some parts of the country than here. In northern Vermont, for instance, just on either side of the Canadian line, a good telephone service is given for \$36 to \$40 a year. In many other states, east and west, similar service is given for \$36 to \$40 a year. Corresponding service in Astoria costs \$130 a year. Since the entire Pacific coast telephone system is under the control of one organization, the claim cannot be made that the local service is more expensive than elsewhere. Some action should be taken to reduce the present unreasonable charge. Means can be devised for controlling it and they should be applied without delay.

MRS. HOLMES' TEA

A Pleasing Astoria Society Function Friday afternoon.

Mrs. Charles Holmes delightfully entertained a number of her lady friends Friday afternoon at tea.

THE NON-PARTISAN.

A few more than the necessary hundred gathered at the court house last night to nominate a non-partisan ticket. It was a democratic crowd with an occasional republican sprinkled in for appearance sake. Most of these few republicans refrained from voting.

Dr. H. L. Henderson presided and Councilman Utzinger acted as secretary. The convention had no preliminary business to transact and proceeded at once with nominations, which resulted in the following:

NON-PARTISAN TICKET.
Mayor Isaac Bergman
Auditor and Police Judge H. E. Nelson
Treasurer J. F. Carney
Police Commissioner John Kopp
Street Commissioner Fred Wright
City Attorney Matthew Hughes
Surveyor N. Raymond

COUNCILMAN.
First Ward W. J. Cook
Second Ward John Hornum
Third Ward Peter Nufur

The chairman was given authority to name a central committee should it be necessary.

In two cases only was it necessary to take a ballot, the other nominations being by acclamation.
For street commissioner James Kearney, the republican candidate, and Fred Wright were nominated. The vote stood, Kearney 25; Wright, 61; blank, 2—a rather good showing for Kearney in his opponent's convention.

For councilman in the first ward Mr. Cook and Mr. Tiber were nominated. The vote stood 41 for Cook and 30 for Tiber. None but the first ward voters participated in this nomination, yet 71 votes were cast, while the entire convention cast but 58 votes in the only ballot it took.
After the nomination the candidates were called upon to "speak." The occasion didn't demand oratory, or if it did the demand went to protest. Mr. Hughes in particular couldn't find the "let go" point, although the audience saw several splendid opportunities for him to quit. But he didn't start in to make a speech and he lived up to that intention. His remarks were chiefly addressed to thanking Mr. Smith for putting aside the tremendous ambition to be a candidate for city attorney, thus giving a free field to the speaker. Then the convention adjourned very quickly.

READY FOR BATTLE.

With One Exception the Republicans Have a Full Ticket in the Field.

The republican city central committee has carried out the instructions of the convention and has completed the ticket, with one exception. A decision has not been reached in the matter of street commissioner.

REPUBLICAN CITY TICKET.
Mayor Dr. Oswald H. Beckman
Auditor and Police Judge H. E. Nelson
City Attorney Geo. F. Welch
City Surveyor Frank J. Carney
City Treasurer Albert S. Fox
Street Commissioner James Kearney

COUNCILMAN.
First Ward Thomas Mokko
Second Ward John Svenson
Third Ward Aamus E. Brix

This is a good, clean substantial ticket that commends itself to republicans and to the independent voter.
Dr. Beckman is a successful physician and an enterprising, loyal citizen. He has not sought the nomination but he will make a surprisingly strong run and will be elected. Dr. Beckman was an important factor in the Finnish emigration movement and he will be greatly remembered by those of our citizens whose birthplace was Finland.

The committee passed a resolution which doubtless was the result of great provocation, but its wisdom and propriety is to be questioned. It was not suggested, and it does not appear that it is endorsed by the republican candidates. The following is the resolution:

WHEREAS—The nominees of the Republican City Ticket made an honorable fight for the various offices before the city convention, having been open candidates for at least two months prior to said convention, and

WHEREAS—It has been a frequent and common thing for certain so-called republicans, to question the motives of the convention, or some person who has taken an active part in the convention and to make uncalled for remarks against candidates not connected with the best interest of the party, and such antagonism is being made at the present time, therefore

BE IT RESOLVED—That the secretary of the Republican City Central Committee be and he is hereby instructed to keep a list of all such persons for future reference, which shall be called the Black Book, and the chairman is instructed to have the names of such persons published at the expense of the party.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a covey condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Co. only, and sold by all druggists.

SHE HAD TROUBLE

How a Prominent Lady of Portland Want the Rounds With the Dentists.

Mrs. Mitchell of Albina said yesterday: "A little more than 13 months ago I suffered untold pain from decayed teeth and was advised by my physician to have them extracted, so I went to one of the most prominent dentists in Portland and had them out and some artificial ones made. Well, do you know I tried for over four months to wear them but I could not, and so I consulted another prominent dentist, one of these high priced ones, you know, and he made me another set and charged me \$25, making \$50 in all for the two sets. I tried these and they were no better than the others. I told Mrs. Collins about it and she told me that her teeth cost her only \$7.50, including the extracting of 10 and she said they were just lovely and as good as her natural teeth. I asked her where she got them and she said at the Portland Dental Parlors, corner Fourth and Washington streets. She went down with me next day and I saw Dr. Jones, the manager, and made arrangements for this set. He did not demand a cent until I had tried them a week and returned and told him I was perfectly satisfied. As much as the others? No! He charged me only \$5."
